## **April Program-Dennis Parker**

Perspective, Drawing, and stuffed animals. I know you don't expect those things in the same sentence and especially not when thinking about OPS; however, this month's meeting will be just a little different in that we will not only get the opportunity to see but to do. Bring a sketchbook or paper and a pencil along with a stuffed animal and we will learn more about drawing and how to make what we've drawn lifelike. If you don't have a stuffed animal, come anyway since there will be enough to share.

Dennis is an award winning artist who has studied at the Art Student's League in New York City as well as the New York Academy of Art. He has taught in the Oklahoma City area for a number of years and is represented by galleries in Taos and Santa Fe. See his work and read more about him on his website: <http://www.dennisparkerart.com/>

## **March Program-Mitsuno Reedy**

Mitsuno did a wonderful demo for the March program. We all watched in fascination as she brought life to a plain piece of paper. Within minutes, there was a striking likeness of her model and then she started to refine the colors and features. As always, watching Mitsuno work is just magical. If you missed the demo or want to refresh your memory, check out the OPS website.

## **One Day Workshop-Lorenzo Chavez**

The garden center is already booked on the 3<sup>rd</sup> Monday so we will be changing locations for that meeting only.

## **June Workshop**

Jerry Brown will return to the Paseo Arts Festival and will stay for a one day workshop on June 1<sup>st</sup>. You may think that you've learned all you can about clouds, but this year will have a slightly different twist. The morning will be about clouds and the afternoon about what to put under clouds. Jerry is an award winning artist who is also an excellent teacher and we're so fortunate to be able to learn from him while he's here in Oklahoma City. The cost for the workshop is \$75 for the day and it will be held at AKA Gallery 3001 Paseo. We are now taking \$25 deposits which can be mailed to PO BOX 75696 Oklahoma City 73147 or at the meeting.

Clive Tyler's newest show at Adelante Gallery 3003 Paseo will open Thursday, April 29<sup>th</sup> from 5 to 8 PM. ### **Opportunities**

One hundred years ago this summer, Mattie Mallory, founder of The Children's Center, enjoyed success through an intriguing fundraiser for children at The Oklahoma Orphanage, which eventually became the Center. Called "Button Day," Mattie and a dedicated band of women sold pin-back buttons bearing the picture of a baby throughout the business sections of the city. The event created quite a bustle and ultimately raised \$400. That's \$9,300 in today's dollars. The Children's Center will reprise "Button Day" on June 3 and 4 by hosting a juried art exhibition showcasing the work of local artists. The button-themed artwork, along with other buttons made by children, will be sold during a family-friendly fundraiser to include food, entertainment, and even a button making booth. Admission is a \$5 dollar commemorative button. For more information about this fastenating event, please contact Amy Coldren, special events coordinator at (405) 470-2284 or [acoldren@tccokc.org](mailto:acoldren@tccokc.org).
